**These offers are available at no additional cost to you and are only available to insured members covered under an AARP Medicare Supplement Plan from UnitedHealthcare Insurance Company. These are additional insured member services apart from the AARP Medicare Supplement Plan benefits, are not insurance programs, are subject to geographical availability and may be discontinued at any time.** Certain offerings are provided by third parties not affiliated with UnitedHealthcare Insurance Company. None of these services are a substitute for the advice of a doctor or should be used for emergency or urgent care needs. In an emergency, call 911 or go to the nearest emergency room.

### **AARP Staying Sharp**

For AARP® Medicare Supplement insured members, this program offering is not an insurance program, is only offered in certain jurisdictions and may be discontinued at any time. UnitedHealthcare will receive, from AARP Staying Sharp, program confirmation code information together with data regarding your usage of AARP Staying Sharp (for example, the number of times you visited their website each month). This information may be used by UnitedHealthcare to potentially help develop future programs and services for its insured members.

Access to this service is subject to your acceptance of the Staying Sharp Legal Disclaimer, Terms of Service, and Privacy Policy. Existing Users who have already accepted AARP's Terms of Service and Privacy Policy will not be required to create a new AARP® Online Account but will need to accept Staying Sharp's Legal Disclaimer and additional Terms of Service.

Staying Sharp, including all content and features, is offered for informational purposes and to educate users on brain health care and medical issues that may affect their daily lives. Staying Sharp is based on a holistic, lifestyle approach to brain health that encourages users to incorporate into their daily lives activities that are associated with general wellness. Nothing in the service should be considered, or used as a substitute for, medical advice, diagnosis, or treatment. Features including the Cognitive Assessment and Lifestyle Check-Ins, Additional Tests, exercises, and challenges assess performance at a particular moment in time on certain discrete cognitive tasks. Staying Sharp games are intended for entertainment and recreational purposes only. Various factors may affect performance, including sleep, tiredness, focus, and other social, environmental, or emotional factors. Performance is not indicative of cognitive health and not predictive of future performance or medical conditions.

### **Dentegra Dental Discount**

†Dentegra Fee Schedules vs. FAIR Health Mean Data, 01/2023
